## Darkside

Duration: 80 minutes

As night falls and the museum becomes dark, many of the exhibits can be seen in a fascinating new light. Ancient fables and legends have long played a big role in helping researchers to understand nocturnal animals. But where do these superstitions come from – and can some of them even be explained by science? This tour is designed for night owls with a love of natural history. It takes participants through the Department of Anthropology and up onto the roof of the NHM Vienna. There, they have an opportunity to enjoy fabulous views of Vienna city center over a drink.

**Price:** € 30.00 per person; minimum of € 300.00 (admission included)

Children under the age of 12 years are not allowed to access the roof terrace.

## Micro Show

Duration: 80 minutes

Using high-quality microscopes and video cameras, tiny living organisms are projected onto a large cinema screen. The main actors in our movie are the living animals and plants themselves. Experienced biologists are on hand to explain and comment on their sometimes surprising behavior. More direct and emotional than even the best natural history documentaries, this live show introduces viewers to the secrets of the fascinating micro world that is all around us.

**Price:** € 6.00 per person; minimum of € 90.00

**Admission:** € 18.00 per person; € 14.00 per person for groups of at least 15 people
